

Opening Keynote: Building Bridges

Keynote Description & Speakers

In the opening keynote, Michel Weiss and Mark Miller, founding partners of Counder & Carlsquare, will set the stage for the Wine & Venture Summit. They will share their vision and the driving forces behind creating this unique summit, focusing on why Africa is an essential collaboration and deal partner from a European perspective.

Weiss and Miller will delve into the synergies between European businesses and the burgeoning African markets, highlighting the immense potential for partnerships, innovation, and growth. They will discuss the strategic importance of Africa in the global business landscape and why European companies should not overlook the continent's opportunities.
